DID YOU KNOW.....

that the “Silver Rose” will be received here at *St. Andrew's*, tomorrow evening, 13 June?

What is the “Silver Rose”? Dedicated to Our Lady of Guadalupe, the “Silver Rose” Program of the *Knights of Columbus* honors Our Lady of Guadalupe as the Protectress of the Unborn! Each year, eight of these beautiful “Silver Roses” are carried along different routes that include Canada, every U.S. state, Puerto Rico, and Mexico – and are presented, as an “international spiritual bouquet” at the Basilica of Our Lady of Guadalupe in Mexico, on her Feast Day – 12 December! The *Knights of Columbus* have provided this wonderful experience for over 70 years!

We are privileged to welcome the “Silver Rose” here, this Monday evening, 13 June, with a special prayer service at 5:00 PM! ALL are invited to share in this unique experience and add your prayers to the spiritual bouquet, and ask Her intercession for an end to violence against children, especially the Unborn!

There is no way to thank all of the individuals and families who came together to make possible the celebration of *Father Richard Rivera's* First Mass and Reception last Sunday!

It was a wonderful day full of graces for all who attended – in person and on-line! We would like to thank our *Knights of Columbus*, *Bishop Salpointe Council #4584*, for all of the tremendous ‘behind the scenes’ preparation and hard work, to *Deacon John Klein* for coordinating the entire weekend, and to the musicians, who provided the soul-lifting music for the Mass, and *Bill Purciello* and *Deacon Lauro Teran* for the music during the Reception! SO many volunteered and served, and, again, we are so grateful to all of you! *Father Richard* will be assigned to *St. Elizabeth Ann Seton Parish* in northwest Tucson, beginning on 1 July, and so, he will be with us for the next few weeks, assisting with Masses and Confessions, as well as celebrating Masses of Thanksgiving at *Sacred Heart*, *Tombstone*, and *St. Patrick's, Bisbee*, where he served his Diaconal ‘internship’ last summer! These good folks want to share in his celebration, of course!

With his Ordination, *Father Richard* becomes #7 of the Priest-Sons of *St. Andrew's* presently serving: *Fr. Rob Neske*, *Fr. Michael Bucciarelli*, *Fr. Dale Branson*, *Fr. Chris Orndorff*, *Fr. Robert Gonzalez*, and *Fr. Anthony Corcoran, S.J.*! (Please pray for Vocations and continue to encourage young men to answer God's Call to the Priesthood!) (Congratulations to *Fr. Rob Neske*, who celebrates his birthday this coming Tuesday, 14 June!)

A HUGE THANK YOU – to all who made this year's Vacation Bible School such a wonderful success! We are SO grateful for all of our wonderful volunteers – especially our Teens!

- Sister Joellen and Deacon Bill

Question of the Week:

For Adults:

In what difficult situation has the Holy Spirit Helped you see more clearly?

For Children:

What kind of decision can the Holy Spirit help you with?

CATHOLIC QUIZ: *This week's Question: "What is 'St. John's Wort'?"*

The answer to last week's Question: "What are the Principles of Devotional Prayer?"

According to the *Catechism of the Catholic Church* (2626-2643) the basic forms of Prayer are:

1) Blessing and adoration, 2) Petition, the objects of which are (in this order): the grace of forgiveness, the fullness of the Reign of God, and, every need. 3) Intercession (which is asking on behalf of another), 4) Thanksgiving, and 5) Praise. From the very beginning, believers "devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers" (Acts 2:42), and so Christian Prayer is: 1) founded on the apostolic Faith, 2) proven by charity, and, 3) nourished by the Eucharist.

If you would like to be as smart as the "Quiz Master" — pick up a copy of the Catholic Source Book, available in the Parish Office for only \$20!)

SOUL FOOD:

"It is not easy to explain why God permits evil; but it is impossible for an atheist to explain the existence of goodness. How could a spirit-less, soul-less, cross-less, God-less universe become the center of faith, purity, sacrifice, and martyrdom? How can decency be the decent thing if there is no God? Since God is love, why should we be surprised that lack of love should end in pain, hate, broken hearts, and war?"

-Blessed Archbishop Fulton J. Sheen (1895-1979)

I'm very humbled to write this note of appreciation, first to thank our Lord for His love and provision, and I would like to also thank each and every one of you for allowing the Lord to use you mightily in my life, and in the lives of countless others!

I'm grateful for the many prayers, words of encouragement, and support you have shared with me. The generosity of our community to me has always been an overwhelming experience of God's abundant grace. I can't thank you enough for fostering my vocation, from before entering seminary, until now. I know without question, that the many beautiful ways you say "yes" to God has enabled me to do the same. Please know that I thank God for you always!

"We always thank God for all of you and continually mention you in our prayers. We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ."

1 Thessalonians 1:2-3

Thanking God for the gift of you,

Father Richard Rivera

From Your Parish Library

In preparation for celebrating the Solemnity of the Most Sacred Heart of Jesus (June 24), the Library has assembled a display of related items. Come, check one out and learn about Saint Margaret Mary Alacoque and explore various presentations of the devotion. You will learn how this

"Greatest Catholic Devotion" remains fresh and relevant today and ties in so well with our beloved Divine Mercy devotions. "Sacred Heart devotion is not magic or some automatic ticket to heaven; it is a sacred way for us to encounter the fullness of the Gospel, the good news of God's saving love poured out for us in Jesus Christ. As we steadily progress in our knowledge and communion with the Lord, we will fall ever more deeply in love with Jesus and live out that transforming and redemptive relationship in every detail of our lives. This devotion unites our minds, hearts and wills in one great act of oblation — a total gift of the self to the One who has first offered himself completely to and for us."

Bishop Donald J. Hying is bishop of the Diocese of Madison, Wisconsin.

St. Andrew the Apostle Catholic Church Pipe Organ History

The idea of a pipe organ for St. Andrew's was first discussed at Building Committee meetings during the planning phases of church construction. In the event that the parish decided to have a pipe organ, a place would be needed to put the pipes! Two rooms, called "pipe chambers", were included in the building design. You can't see them from inside the church because they are behind panels above each side of the altar retablo.

An Organ Search Committee was formed. Members of that committee visited churches in Arizona and across the U.S. to see and play all types of organs, small and large; pipe organs, electronic organs, and electronic organs with "real" pipes. The committee researched new, custom-built organs, but found that they were far more expensive than the church could afford. The committee prayed and looked and waited!

Soon, they learned that a 1947 Möller pipe organ in a church in Racine, Wisconsin, was for sale. This organ had

been lovingly tuned and maintained by three generations of the same organ-building family and was being offered for sale because its church building was being sold. It was small enough that the pipes could fit into the St. Andrew's pipe chambers and large enough to support the singing of an assembly of 1,000 people.

To top it off, the price was lower than comparable electronic instruments, even with the additional costs of moving, rebuilding, and installation. Suddenly, the church could buy a "real" pipe organ for less than the cost of an electronic one. Considering that there were pipe organs that have been serving their communities for 400 years and that electronic organs only last about 25 years, the Building Committee agreed that this organ was too good to pass up!

Michael O'Sullivan, Tucson organ builder, went to Wisconsin, played and inspected the organ, and reported that it was all the church hoped for.

Thanks to the generosity of many, many St. Andrew's parishioners, all costs to purchase, renovate and install the organ were covered by donations from the faithful of the parish.

The organ was installed and dedicated in 2008, and has served the parish and Sierra Vista community well for the last 14 years.

Recently we have learned that this is a very valuable and historic instrument and is listed in the U.S. Historical Registry of Pipe Organs. Every organist who has visited St. Andrew the Apostle Church to perform in a recital, Hymn Festival or Messiah Performance, is thrilled to have a chance to play on it. We are blessed with a great treasure.

**BUT NOW THE ORGAN NEEDS YOUR HELP....
PLEASE TURN OVER AND KEEP READING**

Photo taken in St. Andrew Organ pipe room by Genevieve Rivera

In early 2021 the current instrument began to fail to the point of needing immediate repairs and an assessment of the instrument, which has been in service since the 2008 installation. At that time we found that the original installer is no longer available to even tune the organ, much less repair it. We contracted with Grahame Davis, an organ builder and owner of Pipe Organ Artisans of Arizona. He built and maintains a similar Moller Organ at Dove Lutheran Church in Tucson and the Mighty Wurlitzer Organ (3000 pipe chambers) at the Tucson Fox Theater. Mr. Davis recently tuned our organ and provided an in-depth assessment of our organ. He was accompanied by past Dean of the Southern Arizona American Guild of Organists, Dr. Douglas Leightenheimer. In summary:

The estimate to repair and make improvements to the organ is for a total of \$95,320 which covers a new Controller (\$65,320) and three new electronic voices at \$10,000 each for a total of

\$30,000. At this time, the Parish Board of Directors has approved the controller ONLY for the following reasons:

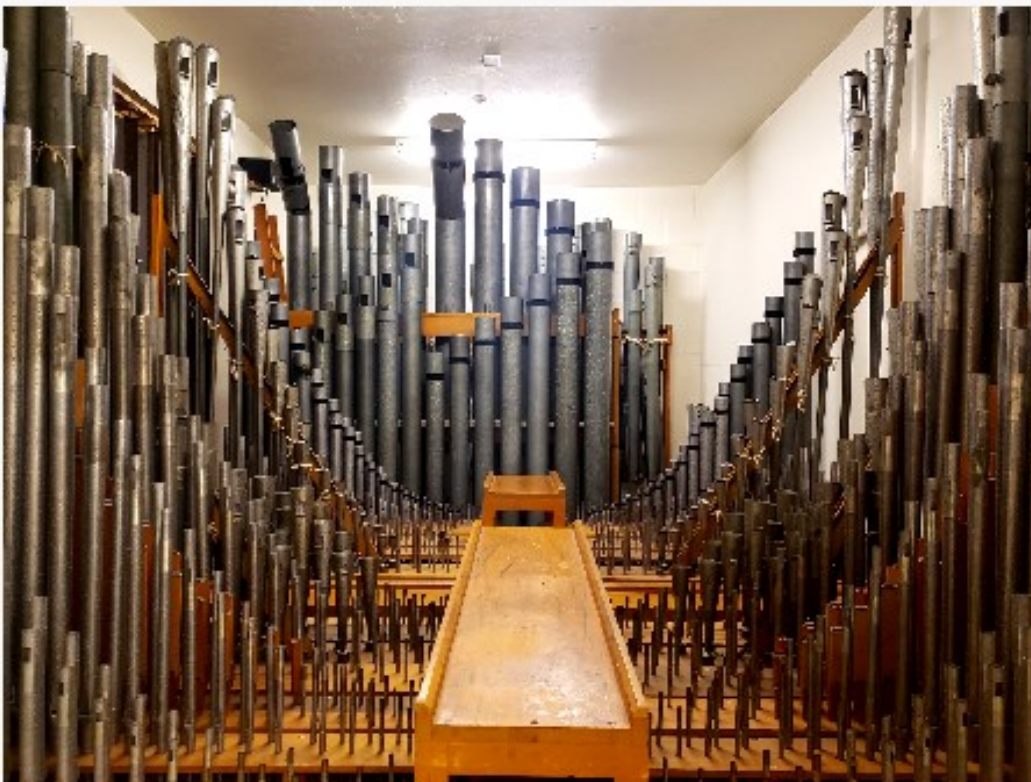

- The control system interfaces with the player and puts the console in touch with the pipes and playing systems. The present system is home-made and there is no documentation or schematics for it. No one can repair this controller except the installer, who is retired

- The controller we now have uses technology which is now out of date. Finding similar components to replace present components should they fail or stop functioning is very problematic.
- Many modern playing aids are included in the new control system and the features of this system can be seen on the Peterson Company web site.
- The referenced playing aids will enable pianists to play the organ without the use of the pedals; an important innovation that will result in even more Parish use of the instrument and widen the pool of persons able to play it well.

YOU can be a part of bringing our cherished organ to its full potential! Please make your check payable to St. Andrew the Apostle Parish and put

“ORGAN RESTORE” in the memo line, or, if you donate by online giving, you may select “Pipe Organ” from the list.
